

Covid-19 and Public Health in Iwate

For reasons that go without saying, public health has been on my mind a lot these days. I've been thinking about Japan's response to this situation and the cultural factors that contributed to it. As I thought, three incidents from my time working as a teacher came to mind.

Cherry Blossoms, the Snow Corridor, and Hachimantai's Dragon Eye

The novel coronavirus is spreading throughout the entire world. It's a scary time, but we hope for everyone to stay safe, and for everything to calm down as soon as possible. In the meantime, we'd like to continue sharing the beauty of the Tohoku region and the candidate site in the Kitakami mountains for the ILC in hopes that our readers will get to come someday.

Sakura Stream in Tohoku, Japan 4K (Ultra HD) - 東北の春

Find another Japan in Tohoku. Explore the seasonal beauty of Japan's northeast. Turn on subtitles and the shooting location will be displayed.

About Tohoku ILC Promotion Council

This conference, consisting of industry, academic, and government representatives, has been established to promote basic scientific research and to deepen the understanding of the International Linear Collider, as well as to research and maintain the environment during ILC installation.

That's the news for this month! As always, feel free to send us any questions about local activities for the ILC, life in the region, or about working in Japan.

Best wishes,
The Tohoku ILC Promotion Council
